1) Purchase **Avery 8161** Labels- 1" x 4", 20 labels per sheet. Purchase **Avery 8163** Labels- 2" x 4", 10 labels per sheet. The higher quantity you buy, the lower the price will be.

2) Open the pdf called "[Handbook Labels for Start Here.](#)" Insert **Avery 8161** labels in your printer. You will need three sheets for each Manual del Estudiante. Print these labels.

3) Open the pdf called "[Handbook Labels for Discussion Questions.](#)" Insert **Avery 8163** labels in your printer. You will need three sheets for each Manual del Estudiante. Print these labels.

4) When you have 6 sheets of labels, you are ready to apply the labels to the book. On each label you will see an identifying location, such as "Manual 1.1 Pg. 7a". Go to page 7 of the manual. The "a" and "b" indicate there are two labels for this page. Place the "7a" label over the matching "Start Here" paragraph. Place the "7b" label over the matching "Optional" paragraph.

Recuerda: solo seleccionamos las partes más relevantes del manual del estudiante. NO hay etiquetas para cada pregunta. Turn to page 9 of the book. The next label to affix is a "Discussion Questions" label, size Avery 8163. There are three labels- two small and one large- for each section.

5) You will also want to print the following page: *¿Cómo pueden ayudar los padres?* to cut out and glue onto page 1 of the manual.

6) You now have a bilingual book that parents can use alongside their children. Praise the Lord for the opportunity to get parents involved in the spiritual development of their children.
